

Rachel Hoadley-Clausen, Ph.D.

Clinical and Counseling Psychologist·Alabama License: 2168

Rachel@NSAJC.com·251.633.5155

6720 Grelot Rd., Suite A, Mobile, AL 36695

CREDENTIALS & EDUCATION

Licensed Clinical Psychologist in Alabama #2168

January, 2020- Present

Postdoctoral Master of Science in Clinical Psychopharmacology,

The Chicago School of Professional Psychology (APA Accredited)

Advisor: Gerardo Rodriguez-Menendez, PhD, ABPPB, MSCP

January, 2022-Present

Doctor of Philosophy, Clinical and Counseling Psychology (CCP; APA Accredited)

May 2019

University of South Alabama (USA), Mobile, Alabama

Dissertation (March 2019): *Components of household chaos: Predictors of Depressive and Anxious Symptoms in Adolescents.*

Advisor: Jennifer Langhinrichsen-Rohling, Ph.D.; Director of Clinical Training: Joseph Currier, Ph.D.

Pre-Doctoral Clinical Psychology Internship (APA Accredited)

July 2018

Central Alabama Veterans' Healthcare Services (CAVHCS), Tuskegee, Alabama

Director of Training: George Munkachy, Psy.D.

Advanced Social Psychology course for Affective Bases of Behavior (APA Accredited)

May 2017

University of Southern Mississippi, Hattiesburg, Mississippi

Professor: Elena Stepanova, Ph.D.

Master of Science, Applied Psychology

August 2014

Department of Psychology, USA, Mobile, Alabama;

Thesis (June 2014): *Cognitive intra-individual variability in ADHD and specific learning disorder.*

Advisor: Benjamin D. Hill, Ph.D.; Department Chair: John Shelley-Tremblay, Ph.D.

Bachelor of Arts, Psychology

May 2012

Department of Psychology, USA, Mobile, Alabama

Cum Laude, Dean's List, President's List

PROFESSIONAL EMPLOYMENT

Licensed Clinical Psychologist at Neuromuscular Spine and Joint Center (NSAJC); January 2020- Present

- Established behavioral health component to interdisciplinary approach for chronic pain management. The behavioral health services include case consultation; psychological assessment of psychiatric symptoms and functional impairments; Cognitive-Behavioral and Acceptance and Commitment Psychotherapies for management of primary medical conditions and psychological factors that impact medical outcomes.
- Also provided community outpatient psychological services, including: Pre-surgical evaluations; assessment and treatment of psychiatric symptoms related to mood disorders, cognitive concerns, and medical care across the lifespan for groups and individuals including chronic pain management groups.
- Established care and community outreach for populations with chronic pain, LGBTQ, and bariatric issues in addition to psychiatric disorders such as depression, anxiety, adjustment disorders, and PTSD.
- Provided care via external contracts with QTC, workers' compensation groups, and as a Veteran Community Care Provider.
- Provided child evaluations (ADOS-2, CPT, CATA, WISC-V, WIAT-IV, and self- and other- rating forms) and psychotherapy including social skills groups for children with Autism Spectrum Disorders.
- Provided legal consultation and client care regarding functional and psychodiagnostic evaluations as well as psychotherapy
- Provided supervision for master's clinicians and included graduate students shadowing care when appropriate.

Adjunct Professor at the University of South Alabama (USA); January 2021- Present

- Taught undergraduate, freshman Introduction to Psychology: Survey course discussing the foundational principles and research across the field of psychology including empirical and clinical applications.
- Taught senior-level Mental Health and Law: Reviewed the intersection between psychology and legal standards, historical cases, and the related impacts on and made by the justice system of the United States of America.
- Worked with an instructional design team weekly to redesign the Introduction to Psychology online course for USA's Department of Psychology. This included revising PowerPoint presentations, selecting textbook options, generating test bank questions, designing the syllabus and course outline, generating learning objectives, assignments, selecting discussion questions for weekly discussion prompts, creating weekly agenda videos, and creating brief content videos for each module.
- *In progress:* Creating Supplemental Instruction Materials for Introduction to Psychology Course for publication

Continuing Medical Education Presenter at USA Continuing Medical Education; October, 2022- Present

- Regularly scheduled presentations for the mental health staff at USA's Continuing Education
- Topics included behavioral health topics, interprofessional collaboration for patient-centered care, various psychiatric diagnoses, psychological assessment and intervention

Continuing Medical Education Presenter at Ascension Hospitals; February, 2022-

- Regularly scheduled presentations for the medical staff at Ascension Hospitals nationwide
- Topics included behavioral health topics, interprofessional collaboration for patient-centered care, various psychiatric diagnoses, psychological assessment and intervention

Continuing Medical Education Presenter at USA Orthopedic Group; November, 2021- Present

- Regularly scheduled presentations for the medical staff at USA's Orthopedic Group for acute patient care
- Topics included behavioral health topics, interprofessional collaboration for patient-centered care, various psychiatric diagnoses, psychological assessment and intervention

Psychological Assistant at Faye Pierce in Mobile, Alabama; August 2019 to December 2019

Supervisor: N. Faye Pierce

- Provided administrative and psychological technical assistance in scheduling, assessment administration, and communicating report findings.

Psychological Assistant at Psychological Services of Mobile, Alabama; July 2018 to March 2020

Supervisors: Jennifer Adams, Ph.D., Thomas Bennett, Ph.D., and Brian Upton, Ph.D.

- Provided administrative and psychological technical assistance in assessment administration, psychological evaluation, communicating report findings, scheduling, and interdisciplinary collaboration serving the Mobile community across the lifespan and with a broad range of presenting problems
- Professional collaboration and outreach with local providers of chronic pain management and bariatric surgeries.

Pre-Doctoral Intern

Central Alabama Veterans' Healthcare System in Montgomery and Tuskegee, AL; July 2017 to July 2018

Director of Training: George Munkachy, Psy.D.

Supervisors: Elizabeth Eckardt, Ph.D., Bianca Oney, Ph.D., B. Charmaine Mosier, Ph.D., Caitlin Singletary, Ph.D., Courtney Worley, Ph.D., ABPP, M.P.H., and Stephen Sams, Ph.D.

- Completed one-year, APA Accredited, pre-doctoral generalist internship with rotations on the PTSD Clinical Team and in Military Sexual Trauma, Outpatient Mental Health, Chronic Pain Behavioral Health
- *Trainings and implementation of evidence-based psychotherapies:* Weekly individual and group supervision
 - *Cognitive Processing Therapy for Trauma* (including required supervision for certification; groups and individuals)

- November 2017 at Tuscaloosa VA Medical Center with Mary Fran Burnette, LCSW, BC-PTSD-C, Regional Cognitive Processing Therapy Trainer- VISON 7
- August 2017 at CAVHCS East Campus with Courtney Worley, Ph.D., ABPP, M.P.H. and Stephen Sams, Ph.D.
- *Prolonged Exposure Therapy* in August 2017 at CAVHCS East Campus with Courtney Worley, Ph.D., ABPP, M.P.H. and Stephen Sams, Ph.D.
- *Cognitive-Behavior Therapy for Chronic Pain* (including required supervision for certification; groups and individuals) in August 2017 at CAVHCS East Campus with Elizabeth Eckardt, Ph.D., Director of the Behavioral Pain Management Clinic, Regional Trainer and Consultant for CBT-CP
- *Acceptance and Commitment Therapy for Chronic Pain* (groups and individuals) in August 2017 at CAVHCS East Campus with Elizabeth Eckardt, Ph.D., Director of the Behavioral Pain Management Clinic and Stephen Sams, Ph.D.
- *Telemental Health* in January 2018 at CAVHCS East Campus with Elizabeth Eckardt, Ph.D.
- *Primary Care Mental Health Integration Competency Training* (completed initial and 3-month evaluations for certification)
 - Certification in June 2018 for *PCMHI Co-located Collaborative Care Competency* with Rachel Chan, Psy.D., PCMHI Lead Trainer, Makenya Pringle, Ph.D., and Robyn Mooyoung, Psy.D.

Graduate Clinician Experiences; August 2012 to July 2017

Director of Clinical Training: Joseph Currier, Ph.D.

Gulf Coast Behavioral Health and Resiliency Center, Mobile, AL (2016-2017)

Supervisors: Jennifer Langhinrichsen-Rohling, Ph.D. and John Friend, Ph.D.

- Provided behavioral health services within the Mobile County Health Department- Federally Qualified Health Centers
- Provided school assessments and behavioral consultations as part of the Attentional Problems Present in the Learning Environment team within Gilliard Elementary School
- *Trainings:* Weekly staff trainings with revolving didactic topics (2016-2017)
 - *Simplifying Cognitive Behavioral Therapy for Chronic Pain: Effective Chronic Pain Management-No Prescription Required* (June 2017) at USA with Beverly Thorn, Ph.D.
 - *Intermediate Motivational Interviewing* (October 2016) at USA with Joan Leary, MA, LPC, NCC
 - *Recognizing and Responding to Suicide Risk in Primary Care* (RRSR-PC; July 2016) at Mobile County Health Department with Craig Bryan, Psy.D.

Graduate Student Clinic and Community Outreach (August 2012-July 2017)

Supervisors: James Tres Stefurak, Ph.D., Joseph Currier, Ph.D., Kimberly Zlomke, Ph.D., BCBA-D, Darleen Dempster, Ph.D., LPC-S, Elise Labbé-Coldsmith, Ph.D., Benjamin D. Hill, Ph.D., Ryon McDermott, Ph.D., Martin Rohling, Ph.D., Phillip Smith, Ph.D.

- Provided psychological services for the Mobile community through the USA Psychology Clinic, USA Counseling Center and Testing Center, Alabama Head Injury Foundation, Lifelines Rape Crisis Center, Resident Advisors' Trainings, and 12 CCP Practicum courses
- Clinical emphases included interviewing and microskills, psychological assessment, neuropsychological assessment, screenings, supervision, group therapy, family and couples' therapy, CBT, IPT, Emotion-Focused Therapy, Behavioral Therapy, Acceptance and Commitment Therapy, and Biofeedback
- Populations included patients across the lifespan with a broad range of presenting concerns with little severe mental illness experience
- *Trainings:* Weekly individual and group supervision; Monthly didactics and clinic consultation
 - *Path to Forgiveness* (October 2015) at USA CCP in Mobile, Alabama with Chelsea Greer, Ph.D.
 - *Motivational Interviewing Conference* (March 2014) at USA College of Medicine Office of Continuing Medical Education, Mobile, Alabama with Sharrie Cranford, LCSW, CMEP

Pediatric Clinic (August 2012-May 2016)

Supervisors: Kimberly Zlomke, Ph.D., BCBA-D, Daniel Preud'homme, M.D., Anne-Marie Kaulfers, M.D., and Tami Green, CRNP, CDE

- Provided behavioral health therapy and consultation within the USA Physicians Group Adolescent Medicine and Pediatric Endocrinology clinics
- Provided neurodevelopmental assessments at the Eastern Shore Developmental Clinic
- Provided Parent-Child Interaction Therapy for families with children diagnosed with Autism Spectrum Disorder
- *Trainings:* Weekly individual and group supervision
 - *Autism Diagnostic Observation Schedule (ADOS-2) Clinical Training* (2015) at Vanderbilt Kennedy Center, Nashville Tennessee with Rachel Hundley, Ph.D.
 - *Parent-Child Interaction Therapy Training Workshop* (August 2014) at USA Psychological Clinic in Mobile, Alabama with Kimberly Zlomke, Ph.D., BCBA-D (Certified Level 1 PCIT Trainer) with required supervision for certification
 - *Parent-Child Interaction Therapy for Traumatized Children Course* (August 2014) online through the University of California-Davis

Applied Undergraduate Experiences

Little Tree Preschool, Mobile, Alabama (2009-2010)

Supervisors: Holly Rogers, BCBA and Lisa Turner, Ph.D.

- Provided behavioral therapy as part of training as an aide in applied behavioral analysis

Lifelines Rape Crisis Center, Mobile, Alabama (2010-2013)

Supervisors: Shawna Mayo-Yokley, Jan Presley, and Chandra Brown, M.S.

- Provided support as a victims-advocate immediately following the report of an assault at the hospital, care-continuity, and during court trials
- Assisted in community awareness and fundraising events, psychoeducational talks, and training for victims' advocates

- Hoadley, R.**, (2014, February). *Clinical cognitive assessment: Administration, scoring, and interpretation of the WAIS-IV*. Invited presentation as part of the clinical assessment course. USA, Mobile, Alabama.
- Hoadley, R.**, (2014, January). *Theories of adult aging and development*. Invited presentation as part of the development across the lifespan course of the psychology program. USA, Mobile, AL.
- Hoadley, R.**, (2014, May). *Introduction to research designs*. Invited presentation as part of the development across the lifespan course. USA, Mobile, Alabama.
- Hoadley, R.**, (2012, June, July, August; 2013, May, June, July, August; 2014, January, May, June, July, August; 2015, May). *Your degree in psychology: Orientation to USA*. Invited presentations as part of the orientation process to the undergraduate psychology programs. USA, Mobile, Alabama.

TEACHING EXPERIENCE

USA Department of Psychology

Adjunct Professor (2021-Current); Department Chair: John Shelley-Tremblay, Ph.D.

Graduate Instructor (2015-2016); Supervisor: Charles Brown, Ph.D.

Graduate Teaching Assistant (2012-2014); Supervisor: John Shelley-Tremblay, Ph.D.

Psychology Undergraduate Advisor (2012-2014); Supervisor: John Shelley-Tremblay, Ph.D.

Supplemental Instructor (2009-2011); Supervisors: Laura Powell, Ph.D. and Josh Foster, Ph.D.

Mobile County Public Schools ACT Tutor (2010-2011); Supervisor: Nicole Carr, Ph.D.

Lindamood-Bell Learning Processes (2009-2012); Supervisors: Beth Nations and Kortni Ennis, M.S.

POSTER PRESENTATIONS

- Hoadley-Clausen, R.** & Langhinrichsen-Rohling, J. (2017). *Examining the Components of Household Chaos: Re-Conceptualizing Predictors of Depressive and Anxious Symptoms in Adolescents*. Poster accepted to present at the 51st Annual Convention of the Association for Behavioral and Cognitive Therapies, San Diego, California.
- Zlomke, K.R., Corley, E., **Hoadley, R.**, & Edwards, G. (2015). *Beyond externalizing behaviors: an examination of the effectiveness of parent-Child Interaction Therapy on adaptive skills in children with ASD*. Poster presented at the Annual Meeting of the Society of Developmental and Behavioral Pediatrics, Las Vegas, Nevada.
- Sofko, C., Boettcher, A., **Hoadley, R.**, & Hill, B.D. (2014). *Comparison of measures of neuropathology severity*. Poster presented at the 34th Annual Conference of the National Academy of Neuropsychology in Fajardo, Puerto Rico.
- Sofko, C., **Hoadley, R.**, Boettcher, A., & Hill, B.D. (2014). *Differential rates of age-related decline on Trail Making Tests*. Poster presented at the 34th Annual Conference of the National Academy of Neuropsychology in Fajardo, Puerto Rico.
- Boettcher, A. C., Sofko, C., **Hoadley, R.**, & Hill, B. D. (2014, November). *A little knowledge is a dangerous thing part 2: Survey of empirically based knowledge of return-to-play guidelines using the RoCKAS*. Poster presented at the 34th Annual Conference of the National Academy of Neuropsychology, Fajardo, Puerto Rico.
- Hoadley, R.**, Sofko, C., Boettcher, A., Hill, B. (2014, November). *Comparison of three approaches to cognitive and academic IIV as markers for ADHD and LD*. Poster presented at the 34th Annual Conference of the National Academy of Neuropsychology, Fajardo, Puerto Rico.
- Hoadley, R.**, Kline, J., Corley, E., Sofko, C., Hill, B. (2014, November). *Worse performance on simpler tasks*

does not equate pathology. Poster presented at the 34th Annual Conference of the National Academy of Neuropsychology, Fajardo, Puerto Rico.

Hoadley, R., Corley, E. R., Boettcher, A., Sofko, C., and Hill, B. D. (2014, July). *Personality Assessment Inventory (PAI): Do group differences result in bias?* Poster presented at the 12th Annual Conference of the American Academy of Clinical Neuropsychology, New York, NY.

Hoadley, R., Pastuszak, J., & Hill, B. D. (2014, March). *The facets of depression: Do physical and affective symptoms better predict severity?* Poster presented at the 60th Annual Meeting of the Southeastern Psychological Association in Nashville, Tennessee.

Hoadley, R., Sofko, C., & Hill, B. D., (2014, February). *Cognitive and academic intra-individual variability (IIV) in Attention Deficit/Hyperactivity Disorder (ADHD) & Learning Disorder (LD).* Poster presented at the 42nd Annual Meeting of the International Neuropsychological Society in Seattle, Washington.

Corley, E., **Hoadley, R.,** & Hill, B. D., (2014, February). *Battle of the tests: ADHD predictive values of the AVLT vs. CVLT-II.* Poster presented at the mid-winter conference of the Alabama Psychological Association in Birmingham, Alabama.

Hoadley, R., & Zlomke, K. (2013, November). *Parenting: Potential buffer between bullying and impairments in psychosocial functioning.* Poster presented at the 47th Annual Meeting of the Association of Behavioral and Cognitive Therapies in Nashville, Tennessee.

Hoadley, R., Hill, B. D., & Rohling, M. L. (2013, October). *Rising to the challenge: Longer backward than forward digit span profile is associated with better cognitive performance.* Poster presented at the 33rd Annual Conference of the National Academy of Neuropsychology in San Diego, California.

Kline, J. S., Boettcher, A. C., Hill, B. D., **Hoadley, R.,** & Rohling, M. L. (2013, October). *COWAT/FAS output by 15 second epochs: A quantitative examination of a qualitative process approach.* Poster presented at the 33rd Annual Conference of the National Academy of Neuropsychology in San Diego, California.

Hill, B. D., Rohling, M. L., Boettcher, A., Kline, J., **Hoadley, R.,** & Womble, M. (2013, February). *Positive linear relationship between traumatic brain injury severity and intra-individual variability across a neuropsychological battery.* Poster presented at the 41st Annual Meeting of the International Neuropsychological Society in Waikoloa, Hawaii.

Hoadley, R., & Zlomke, K. (2013, March). *Retrospective parenting as a buffer between bullying and impairments in psychosocial functioning.* Poster presented at the USA Graduate Research Symposium, Mobile, Alabama.

Lampert, D., Bauman, S., **Hoadley, R.,** & Turner, L. (2012, February). *The relationship between parenting and adult romantic attachment.* Poster presented at the 58th Annual Conference of the Southeastern Psychological Association in New Orleans, Louisiana.

RESEARCH EXPERIENCE

Graduate Research Assistant at USA in Mobile, AL2012-2017

Gulf Coast Behavioral and Resiliency Center, a part of the Gulf Region Health Outreach Program: Including the Marriage and Family Resiliency Research Lab, Gulf Coast Action Team, Suicide Behaviors Lab, and Intimate Partner Violence Lab

Supervisors: Jennifer Langhinrichsen-Rohling, Ph.D., John Friend, Ph.D., Candice Selwyn, Ph.D., Heather Finnegan, Ph.D.

- Community-based surveys in response to Deepwater Horizon Oil Spill
- Community events, meetings, and trainings related to suicide proneness
- Program development for *Attention Problems Present in the Learning Environment* in Mobile County Public Schools
- Individual, couples, and family interviews about tornado in Mobile, Alabama
- Program review of behavioral health in primary care settings

Healthy Youth and Families Research Group

Supervisor: Kimberly R. Zlomke, Ph.D., BCBA-D at USA, Mobile, Alabama

- Evaluated effectiveness of Parent-Child Interaction Therapy (PCIT) and psychometric properties of related instruments for children with Autism Spectrum Disorder (ASD)
- Presented research to Society for Society for the Developmental and Behavioral Pediatrics conference regarding intra-individual variability in ASD

- Recorded and coded household chaos, anxiety, and ASD in a developmental laboratory
- Evaluated adaptation of PCIT in the classroom (Teacher- Child Interaction Therapy)
- Training: *Research Scholars Symposium* (October 2015) at the Society for Developmental and Behavioral Pediatrics Annual Meeting; Mentor: Viren D'Sa, M.D.

Neuropsychological Research Group

Supervisors: Martin Rohling, Ph.D. and Benjamin D. Hill, Ph.D. at USA, Mobile, Alabama

- Examined intra-individual variability across ADHD and specific learning disorders
- Compared athletes' test performance on standardized and computerized test batteries
- Examined metabolic inflammation and performance on standardized testing
- Administered, trained students to administer, and coordinated data collection using neuropsychological measures of attention, working memory, and executive functioning using both clinical and cognitive neuropsychological assessments
- Training: *Item Response Theory Workshop* (June 2015) at USA Campus, Mobile, Alabama with Matthew Calamia, Ph.D.

Mindfulness Research Group

Supervisor: Elise Labbé-Coldsmith, Ph.D. at USA Mobile, Alabama

- Assessed stress reduction from mindfulness and cognitive behavior therapy approaches through group therapies

Suicide Research Group as part of elective: *Critique of the Interpersonal Theory of Suicidal Behaviors*

Supervisor: Phillip Smith, Ph.D. at USA, Mobile, Alabama

- Analyzed and responded to Joiner's Interpersonal Theory of Suicidal Behaviors model

Undergraduate Research Experience (USA in Mobile, Alabama)2008-2012

Families Research Group: Autism Research; Supervisor: Lisa Turner, Ph.D.

- Examined broad autism phenotype and attachment styles

Physiopsychological Research Lab; Supervisors: John Shelley-Tremblay, Ph.D.; Elise Labbé-Coldsmith, Ph.D.

- Examined electroencephalogram and standardized test data for reading training in specific learning disabilities
 - "The effects of magno-parvocellular integration training on fluency and visual evoked potentials in poor readers" in the *Journal of Behavioral Optometry* in 2011 (Shelley-Tremblay, Syklawer, & Ramkissoon)
- Examined Mindfulness, electroencephalogram, electrocardiograph data in cardiac rehabilitation

Narcissism and Individuality Lab Group; Supervisor: Joshua Foster, Ph.D.

- Examined personality traits in college students

Habits and Learning Research Group; Supervisors: Larry Christensen, Ph.D.; John Sinnott, Ph.D.

- Examined operant conditioning in monkeys and hooved animals
- Examined college students' food consumption and reported depressive symptoms

HONORS AND AWARDS

Graduate Assistantship, USA Gulf Coast Behavioral Health and Resiliency Center 2016

Research Scholar Award, Society of Developmental and Behavioral Pediatrics 2015

Graduate Teaching Assistantship, University of South Alabama (USA Psychology) 2015

Research Fellowship, The University of South Alabama Foundation 2014

American Neuropsychology Students in Training Campus representative 2014

Graduate Advising Assistantship, USA Psychology 2012-2013

Selected to attend APA Advanced Training Institute on SEM in Longitudinal Research 2014

CCP Graduate Student Organization President 2014

CCP Graduate Student Organization Treasurer 2013

Outstanding Psychology Undergraduate Student 2011

University of South Alabama Allies Unlimited Outreach Coordinator 2011

Golden Key International Honor Society 2009

The University of South Alabama Chapter of the Honor Society of Phi Kappa Phi 2008

PsiChi Honor Society 2008

University of South Alabama Dean's List 2007-2012

University of South Alabama Presidential Scholarship 2007-2012
Treadwell Foundation Scholarship 2007-2012

PROFESSIONAL INTERESTS

Interdisciplinary collaboration for Chronic pain and medical conditions, PTSD and behavioral health using evidence-based practices (CBTs such as CPT, PE, IPT-D, CBT-i/CP), Dual diagnoses, Comorbid psychiatric symptoms

Community care for Veterans

Community outreach for underserved populations and mental health awareness, telemental health

Family and couples' therapies (Interpersonal Psychotherapy and Cognitive Behavioral Therapies)
